

The Bible

Big Question:

Is the Bible from God and can we trust it?

INTRO

THE GIFT OF JESUS

The Bible is a collection of 66 books, written by many authors, from many backgrounds, over a timespan of about 1500 years. Yet despite this diverse background, there is a harmony in its message from start to finish. The Bible is also a storybook, telling not 66 stories, but one consistent story that unfolds from Genesis to Revelation. At the heart of this story is the gift of Jesus, a gift which the Bible claims changes everything!

See John 3:16 for a summary of the Bible's story.
