FUN FACTS

Grace is a word that means: undeserved kindness. Imagine a bully and his victim both hop onto a bus, but the bully has misplaced his wallet. Then in an act of undeserved kindness the victim pays for the bully's bus ticket. This is called grace. God has shown this kind of grace to us, but on a much larger scale. We rebelled against him, but God showed us amazing grace by taking our sin and dying in our place.

LIVING IT

Discuss: What is one new thing you learnt today?

Decide: Are you thankful that Jesus took your sin and your death when he died upon the cross?

Do: In your own time, read through Matthew 27:11-50, remembering that Jesus did all this out of his great love for you!
